

To our WarmLine Family, Stakeholders and Supporters:

WarmLine Family Resource Center is now seeking candidates to serve on the Board of Directors from the following 6 counties we serve: Alpine, El Dorado, Nevada, Placer, Sacramento and Yolo, and preference is weighted towards candidates representing underserved populations, as well as reflecting the diversity of families served.

Board members help to fulfill the mission of WarmLine:

WarmLine Family Resource Center provides information, education and support to promote and strengthen the foundation of families and children with disabilities or who are at risk of having disabilities or special needs. The Center also collaborates with and supports the community of professionals that work with and serve families with disabilities and special needs.

To fulfill their part in that mission, Board members are expected to provide at least 2-4 hours a month in preparing for Board meetings and participating in Board and committee meetings. It is also expected that members adhere to the policies set forth in the WarmLine By-Laws and Board Operations Manual. Orientation includes interview(s), an introduction to current WarmLine staff and programs, and a written or digital overview of bylaws and the Board Operations Manual, designed to give a robust overview of the organization. Board meetings are held virtually therefore, travel is not required.

If you are interested in serving on the WarmLine Board of Directors, please fill out the application found at <https://forms.gle/k3n3qSWeqVUshgux8> and prepare a cover letter and resumé to upload with the application or mail to:
