Intro to WarmLine

OUR MISSION

Our mission is to provide information, education and support to promote and strengthen the foundation of families and children with developmental disabilities so they can face the challenges of the present and create new dreams for the future.

OUR VISION

Our vision is to cultivate and grow a culture where all children have dreams for the future.

A NOTE ABOUT OUR FOUNDERS

In 1989 the Interagency Alliance for Children worked in collaboration with the founding directors, Cindy Lindsten and Sue Winar Kendall to establish the WarmLine Family Resource Center. Our thanks to these dedicated partners and their commitment to supporting parents, families, and professionals in the community.
